Get closer to VOCESS and help us to inspire others through music

Our Friends scheme provides you with a great way to support our exciting and innovative ensemble and to join a community of like-minded people, united by a passion for the music performance and education work that VOCESS takes around the world.

We would love to share more of an insight in to our work. Through joining this scheme, you will be able to get closer to VOCESS8.

Your support will help to secure the continued growth of the ensemble and its ability to inspire others through music performance and education.

OUR PERFORMANCE WORK

We are delighted to be established as one of the world's most versatile and best-loved classical vocal ensembles, performing at the most prestigious venues across the globe.

In order to share our music with the widest possible audience at an affordable cost, to continue to commission new compositions and arrangements and to attract and keep the best singers, we need your support.

OUR EDUCATION WORK

We are dedicated to the education work we carry out with students and adults alike, subsidising costs to educational institutions so that they can be exposed to a world-class performance ensemble that is breaking boundaries in the education field through its bespoke educational tool, the VOCESS Method. Children with access to musical education perform better in other areas, grow in confidence and learn the joy that comes from making music with others. Your support will help us to reach more children and to train more teachers to use our VOCESS Method.
